MONTH TOTALS	141	214	478	232	253	244	612	318	339	363	448	296	3938

Note: The above figures indicate the number of persons who have requested that verifications of qualifications and / or transcripts of training be sent to the countries indicated only and NOTHING ELSE. It is specifically stated that nurses are not required to notify the Council if they do leave the country. The fact that a nurse has requested a verification be sent does not necessarily mean that she / he has taken up the offer of a position in another country.
