3. VOLUNTARY REMOVAL

A nurse practitioner who no longer wishes to practise in South Africa or who is unemployed, may request, in writing, voluntary removal of his/her name from the register, by completing the form available from the SANC. If voluntary removal is granted by the SANC, the nurse practitioner's name will be removed accordingly on the 31 December of the year in which the application is received. Once removed, the nurse practitioner will no longer be required to pay annual fees while he/she is removed from the register.

If the nurse practitioner requires reinstatement onto the register, he/she will, in addition to paying the reduced restoration fee, be required to complete a Restoration Form. It must be noted that practising while not being registered is illegal.

4

4. CLOSING DATE FOR PAYMENT OF ANNUAL FEES

Please note that for the calendar year 2020, the closing date for the payment of annual fees is **31 December 2019**. Payments must reach the SANC bank account on or before the closing date. You are, therefore, urged not to leave payment for the last minute to avoid problems associated with making payments at year end. Remember: **Bank transfers from non-FNB banks may take up to 3 working days – pay well in advance to meet 31 December 2019 deadline.**

5

5. OTHER FEES

Please note that other fees and fees payable by institutions will be applicable with effect from **1 January 2020**.

6

6. eREGISTER

The SANC has made an eRegister facility available on the SANC website which can be utilised by employers to verify the registration status of all nurse practitioners in their employ. Employers are urged to utilise this facility in the absence of a physical Annual Practising Certificate (APC). Visit: <http://www.sanc.co.za/eRegister.aspx>

7

7. COMMUNITY SERVICE PRACTITIONERS

Community Service Practitioners are not eligible to be issued with an APC and therefore should NOT pay annual fees. They **MUST** pay a conversion fee on completion of their Community Service in order to be registered as Nurse Practitioners using the REGFPRA registration fee code instead of ANLFEES (**e.g. 12345678 REGFPRA**).

UPDATE ON THE IMPLEMENTATION OF THE NEW NURSING QUALIFICATIONS

- 1 This serves to remind nurses and prospective student nurses that the new qualifications would be implemented by the Nursing Education Institutions (NEIs) that have been accredited by both the South African Nursing Council (SANC) and Council of Higher Education (CHE).
- 2 The qualifications must have been registered with the South African Quality Authority (SAQA) on the Higher Education qualifications Sub-framework.
- 3 In case of Private providers, such institutions must have been registered with the Department of Higher Education and Training.
- 4 The commencement date is **January 2020**.
- 5 The SANC will publish the names of the Nursing Education Institutions that have met all the above criteria (1-3) on its SANC website. The list will be divided into three; namely
 - Private Higher Education Institutions that have been accredited to offer the new nursing qualifications;
 - Universities that have been accredited to offer the new nursing qualifications; and
 - Public Colleges that have been accredited to offer the new nursing qualifications (NB. Currently the list of Public Colleges won't be published until the matter around their status is confirmed/clarified).
- 6 Please go to www.sanc.co.za and click on **education institutions** on the home page for the list as indicated in point 5.
- 7 Finally, please note that the South African Nursing Council is not a Nursing Education Institution and therefore applications to be admitted in any Nursing Education Institution should be sent directly to the accredited Nursing Education Institution.
- 8 Similarly applications for recognition of prior learning or applications for exemptions should be directed to the Nursing Education Institution.

Private Nursing Education Institutions (NEIs) and universities accredited to offer the new nursing programmes

The SANC receives a lot of queries regarding universities and NEIs not listed below.

Please note that programmes can only be accredited if there was a submission and the submission has met the requirements.
